

IRS Extension Information

The IRS has granted a filing extension for employers to provide Form 1095-C to employees (**IRS Notice 2016-70**). **The new deadline to furnish Forms 1095-C is March 2, 2017.** It is the intent of OSUP to mail these forms as soon as possible, but no later than March 2, 2017. The IRS has stated that while the information on this form may assist you in preparing your tax return, it is not required. Individual taxpayers will generally not be affected by this extension and you should file your tax return as normal.
